Education

RWTH Aachen University, Germany

Mechanical Engineering – Specialization in Production Engineering

University of Crete, Greece

Degree in Mathematics

Technical Skills

- Production Engineering & Manufacturing Processes
- Research & Development Management
- Automation Technologies (PLC & SCADA)
- Industrial Process Optimization
- CAD/CAM & Engineering Software
- Programming & Computer Systems
- Strategic Planning & Budgeting
- Industrial Maintenance
- Business Development

Software & Technical Competencies

- Microsoft Office Suite
- Siemens NX
- MathCAD
- Maple
- Dymola
- C++
- HTML
- NC Programming (HEIDENHAIN iTNC 530, Siemens SINUMERIK)

Professional Training

- Automation – PLC and SCADA (NIMAC Robotics Webinar, 2020–2021)
- SATRA Furniture Webinar – SATRA Technology UK (2020–2021)
